

JURY REPORT

The Jury wish to express their appreciation to the exhibitors for the excellent exhibits they brought in, given the short time since the announcement of the Exhibition. They are mainly thankful to our foreign friends, many of them honour us by being with us tonight. The Jury are thankful to the Organizing Committee of the National Philatelic Exhibition "Lavrio 2009" and the EFO (Hellenic Philatelic Federation) Consultant for the excellent cooperation and the immaculate conditions under which Jury work was completed. They are thankful to the Lavrio Technological and Cultural Park for the Exhibition hall "Michanourgeio I" and to all the friends in Lavrio for both their enthusiasm and their kind hospitality.

Jury work was conducted under the new General Regulations for National Exhibitions of the Hellenic Philatelic Federation, which stipulate:

1. exhibits are evaluated similarly to an F.I.P. exhibition,
2. lower margin of each Medal Class is set at five points less than in an F.I.P. Medal Class.
