JURY REPORT

The Jury of the National Philatelic Exhibition "Hellas-Cyprus 2013" expresses its thanks to the exhibitors for the exhibits shown, the exhibitors of the Court of Honour and, in particular, the foreign friends, most of whom honoured us with their presence.

The Jury is also thankful to the Organizing Committee for the perfect collaboration and the excellent conditions under which its task was concluded. Finally, thanks are due to the personnel of the "House of Cyprus" for their willingness and warm hospitality.

The Jury wishes to Michalis Tsironis a speedy recovery as, due to his illness, he was not able to offer his valuable services to its task.

It is noted with pleasure the participation, after many years, of the Postal and National Museum to a National Exhibition.

The Greek participation, mainly in the One Frame Class, was particularly increased whilst the exhibits in multiple frames did not correspond to the high expectations of the Jury. The trend of forming One Frame exhibits constitutes a future risk to the necessary building of exhibits of larger width and depth.

Four exhibits were placed out of competition. From session "A", under frame numbers 88, 107 and 113, and from session "B" under frame numbers 87-88.

The decisions of the Jury were unanimous.

Athens, 2 November 2013

The President — A. Virvilis

The Secretary — A. Papadopoulos
